## **Nuclear electric propulsion tutorial set April 30**

A tutorial on nuclear electric propulsion will be April 30 from 8:30 a.m. to noon in Morris Auditorium. Speakers include Dr. George Schmidt, Dr. Michael Houts and Dr. Ivana Hrbud of Marshall's Space Transportation Directorate. The event will familiarize engineers and scientists with technical aspects of nuclear electric propulsion subsystems and concepts being considered for first-generation vehicles.

**Blue Cross/Blue Shield rep visits Marshall 9-11 a.m. April 24, Bldg. 4200, Room 329**

## **April is Environmental Awareness Month**

## **Security managers' training module online**

The SOLAR Web site is hosting the fiscal year 2002 Information Technology Security managers' basic training module. A username and password are required to access the training. Visit the Web site at:  
<https://solar.msfc.nasa.gov/>

## **'Take Our Children to Work Day' is April 25 at Marshall**

All Marshall team members are encouraged to participate in the annual "Take Our Children to Work Day" April 25. The day is set aside to expose children in grades 3-12 to the space program and its career opportunities. For more information, see "Inside Marshall."

**To be a Summer Intern Program mentor, call Madeline Hereford at 544-7420**
